

Clarification:

Reference RFQ 18 00 02 Clarification 005 dated 14-02-2018

Can a company that has registered and downloaded the RFQ, team up with another company that has also registered and downloaded the RFQ for the submission?

A company that has registered and downloaded the RFQ is allowed to team up with any company or companies whether or not those company/companies have registered and downloaded the RFQ, as long as they make a single submission as a consortium and not multiple submissions. This can be referenced in Clause 2.1 of the Request for Qualification.
